

Meeting Acknowledgment Form

2018 Cy Woods Cross Country Student/Athlete Meeting

This year's mandatory parent/athlete meeting will take place on Wednesday May 9th from 6:30PM – 8:30 PM in the Large Performance gym. We will be discussing many policies within the Cross Country program and this year, failure to attend the meeting will affect your participation in cross country during the 2018 season. I am giving ample notice of the meeting and we will be discussing many topics, which include but are not limited to the topics listed below:

- 1) New Attendance Policy
- 2) New Qualification process to be able to attend the District meet
- 3) Practice Expectations
- 4) Communication Expectations
- 5) New after school practice guidelines
- 6) Plus other items

I wanted to include some important dates for everyone to be aware of because absences will impact an athlete's participation this coming year. We will begin mandatory practices on Monday August 6. I will update our practice and meet schedule over the next several months leading up to the meeting. However, I wanted everyone to be aware of our official start date because everyone is expected to be present.

This letter is to have all parents/athletes acknowledge that they are aware of the meeting on May 9th and that they understand that failure to attend the meeting will impact the participation of their student/athlete in the Cy Woods Cross Country program.

I _____, parent of _____ Understand that there is a mandatory Student-Parent meeting on Wednesday May 9th, 2018. I understand that if both the parent and athlete are not in attendance to the meeting, participation for the student-athlete listed above will be impacted in the Cross Country program in the Fall of 2018.
